BUSINESS TRUNKS

Savings and Efficiency. Redefined.

Business Trunks *is a flexible and cost-effective way to deliver phone service over RCN's reliable high-capacity network, utilizing a business' existing PBX equipment. With support for legacy and IP PBX systems with multiple interfaces such as analog, PRI and SIP, RCN Business Trunks provides the connection a business needs.*

Experience improved functionality and route calls between networks more efficiently with RCN Business Trunks, delivered over a wholly owned and locally managed network, offering extensive fiber density with redundancy and enhanced performance.
