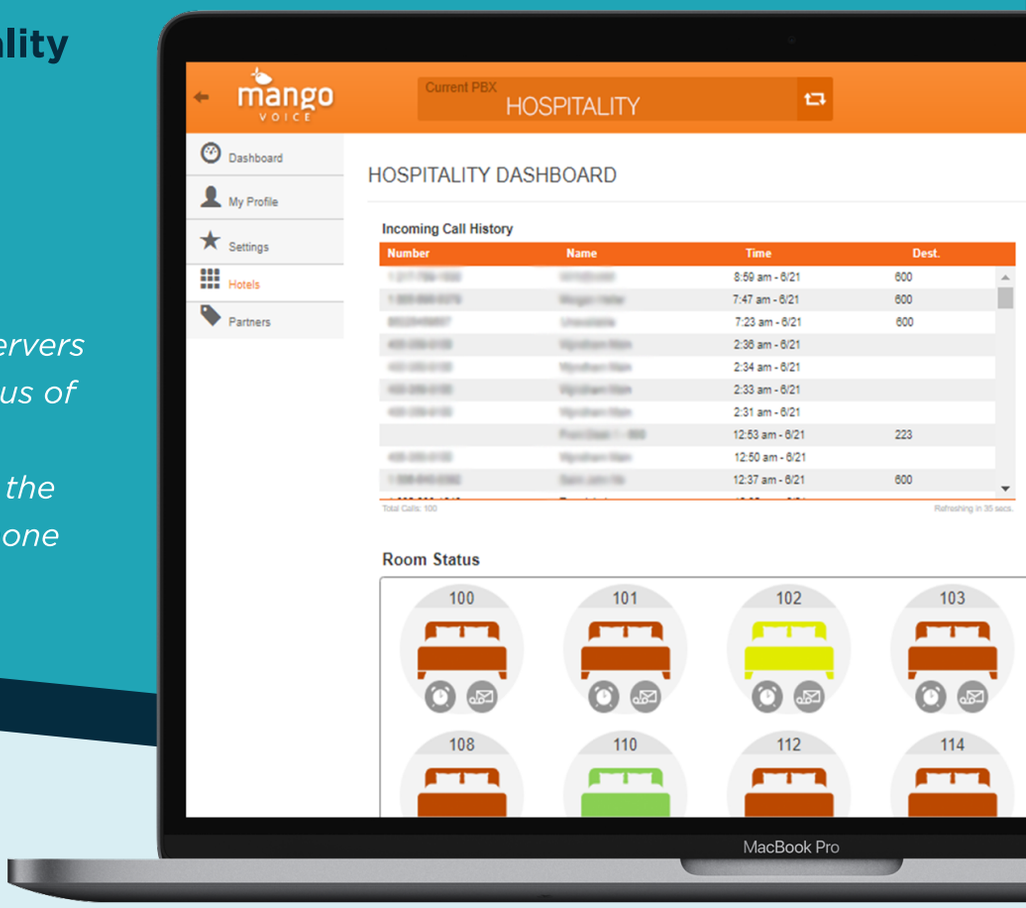
YOUR PHONE SYSTEM SHOULD BE MORE HOSPITABLE.

The Mango Voice Hospitality Dashboard is simplifying the hotel business.

- *Quick and easy call routing*
- *'Set and forget' wake-up calls*
- *VoIP technology = no phone servers*
- *At-a-glance housekeeping status of every room*
- *Staff update room status from the room just by picking up the phone*



Your Mango Voice system includes:

- *Unlimited number of lines*
- *Unlimited long distance*
- *Cloud-based voicemail*
- *iOS and Android mobile apps*
- *Branded room & front desk phones*
- *911 notifications*

Control your most vital operations from one simple interface and give your guests a better experience.Call us to see how easy upgrading can be (you can even keep old wiring)!
