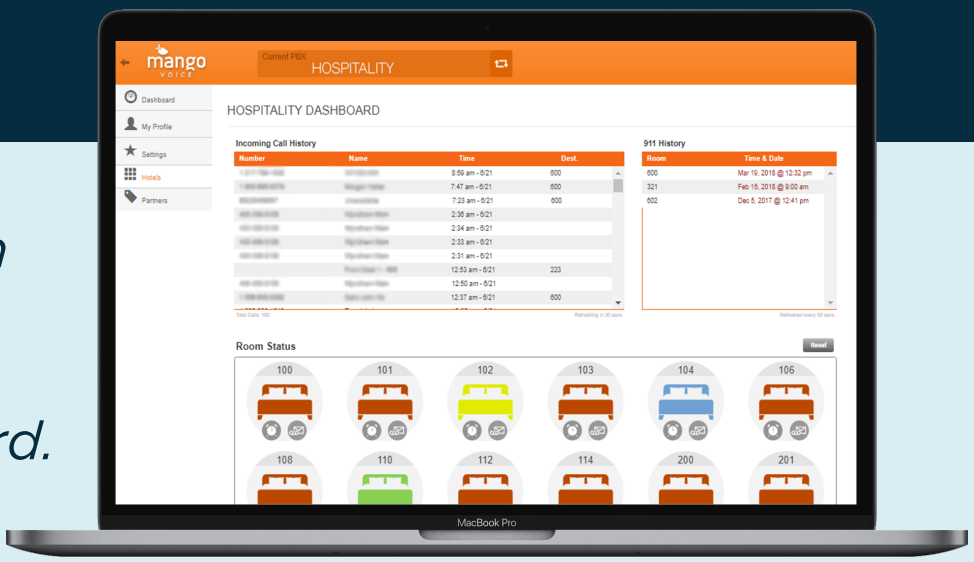
KEEP YOUR WIRES. LOWER YOUR BILL. SIMPLIFY EVERYTHING.

Upgrade your phones without rewiring.

Mango Voice's simple VoIP hybrid solution delivers an advanced phone system without touching your hotel's current wiring.

- *Easily map call routing with our online solution*
- *iOS and Android mobile apps*
- *Unlimited number of lines*
- *Unlimited long distance*
- *Branded room phones*
- *Cloud-based voicemail*
- *911 notifications*

Manage calls, see room status and more from your customized Management Dashboard.



Don't let the mess, expense, and hassle of rewiring keep you from upgrading your phones. Stop putting it off and see how easy an upgrade can really be.
